

MACFARLANES LLP

Interesting Fact :

“ Macfarlanes is best known for its top-flight corporate/M&A practice — ranked consistently in the top 10 in London. However, reputations live long and curiously there are those that think of Macfarlanes as a predominantly private client firm. This is because for 100 years it was and even now the practice remains pre-eminent and one of which we are very proud; but it only accounts for some 13 per cent of our business. Excellent? Yes. Dominant? No. ”
