### Retention and Professional Development

Please identify the specific steps you are taking to reduce the attrition rate of diverse attorneys.

- Develop and/or support internal employee affinity groups (e.g., networks within the firm for minorities, women, gay/lesbian attorneys, or individuals with disabilities)
- Increase/review compensation relative to competition
- Increase/improve current work/life programs
- Adopt dispute resolution process
- Succession plan includes emphasis on diversity and greater inclusion of non-white men and women in firm leadership
- Work with diverse attorneys to develop career advancement plans
- Introduce diverse attorneys to key clients, including to lead engagements
- Review work assignments and hours billed to key client matters to make sure diverse attorneys, particularly non-white attorneys (i.e., minority attorneys, for whom research indicates a greater inclusion problem), are not being excluded:
- Strengthen mentoring program for all attorneys
- Professional skills development program for all attorneys
- Provide a gender-neutral parental leave policy that covers adoptions
- Other (please specify)

Does your firm have part-time/flex-time policies that permit attorneys (male or female) to work alternative schedules?

Yes

What impact, if any, will the decision to work part time have on an attorney's ability to make a partner, or if already a partner, to remain a partner at your firm?

Working a reduced or part-time schedule may extend the time it takes for an attorney to be considered for advancement. Part-time attorneys are evaluated by the same criteria that apply to all other categories of attorneys. If a part-time attorney returns to full-time status, credit for membership consideration will be handled by assigning one year of credit for every two years on a part-time schedule.

How many current equity partners have worked part time, exclusive of maternity/paternity leave or short-term disability?

None
